FINCHINGFIELD GUILDHALL TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2021

The Trustees present their annual report together with the financial statements of Finchingfield Guildhall (the CIO) for the year ended 31 March 2021. The Trustees confirm that the Annual Report and financial statements of the CIO comply with the current statutory requirements, the requirements of the CIO's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015), as updated by Update Bulletin 1 (FRS 102) (effective 1 January 2016).

OBJECTIVES AND ACTIVITIES

- **Policies and objectives**

The Constitution dated January 2019 states that the objects of the CIO are:

- 1) to restore and preserve the Finchingfield Guildhall and associated land and buildings, having historic interest, architectural merit or amenity value for the benefit of the inhabitants of the area of benefit (Finchingfield and the surrounding area);
- 2) to provide facilities for the advancement of education and in the interests of social welfare to provide facilities for recreation with the object of improving the condition of life of the inhabitants;
- 3) to establish and maintain a museum and/or art gallery for the benefit of the inhabitants; and
- 4) to undertake any other charitable activity for the benefit of the inhabitants.

- **Main activities undertaken to further the charity's purposes for the public benefit**

Charity trustees have a duty to examine and report on the benefit to public of their charity. The Trustees of the Finchingfield Guildhall CIO have considered the requirements in the new SORP, FRS102, the Charity Commission's website and its guidance papers on public benefit.

The Guildhall's Grade I listing denotes its national, regional and local importance. Following its repair, refurbishment and restoration, local residents, those living in the surrounding areas and the many visitors to Finchingfield have benefited from the amenities available within the Guildhall and from the range of events provided within a beautiful, inspiring and historic setting.

Therefore, the Trustees conclude:

1. The aims of the CIO are charitable;
2. The objects and activities give identifiable benefits to the inhabitants in the area of benefit;
3. The benefits are for the public and not unreasonably restrictive in any way; and
4. There is no detriment or harm arising from the aims and activities.

The CIO has one self-employed, part-time manager.

- **Volunteers**

All trustees and team members are volunteers.

No trustee or volunteer has benefited from the activities of the CIO.

ACHIEVEMENTS AND PERFORMANCE

- **Review of activities**

The COVID pandemic restricted all activities but the Trustees were aware of grants that became available and were able to obtain funds for refurbishment and essential upgrades. Grants were obtained from Braintree District Council, The Heritage Lottery Fund and the Department for Digital, Culture, Media and Sport's Cultural Recovery Fund. Works included museum, electrics, building maintenance, deep clean, and provision of essential Covid related items. The trustees are grateful to all of these organisations for their support in enabling the Guildhall to respond to the unprecedented impact of Covid-19, which had such a profound impact on the Guildhall's ability to raise income.

FINCHINGFIELD GUILDHALL

Throughout the year we were unable to open the Guildhall or Museum but volunteers and trustees did manage to arrange socially distanced outdoor events including garden coffee mornings and the book clubs as well as acting as collection point for village surveys and hosting an exhibition for the bridge proposals. The Guildhall hosts the village Library which had severely constrained opening hours resulting in a reduced footfall of 135 but managed to operate a home delivery service to our most isolated and vulnerable residents.

Guided tours – none but the museum has been re-organised for future visitors

FINANCIAL REVIEW

● Financial Review and Reserves Policy

With the help of grants it has been possible to attend to items of upgrade and repair as well as invigorate the museum displays that trustees would have found difficult to fund in a normal year of incomes and the BDC grants have left the Guildhall in a sound financial position to go forward with community activities.

During the year ended 31 March 2021, income was received of £44,542 (2020: £18666), with expenditure incurred of £91,787 (2020: £90916) leading to net expenditure of £47,245 (2020: £72250). These figures include depreciation of assets.

There were no free reserves at the start of the year end because all unrestricted funds were represented by operational fixed assets and land held as investment property which is not readily realisable due to the tenancy agreement in place. However due to the receipt of Covid-related grants the trustees can now consider a policy for future reserves

As detailed elsewhere in this report, the continuing costs of compliance and governance can be disproportionate for a small organisation. While sharing the Charity Commission's desires to have well-run, accountable and transparent charities, other activities may have to be sacrificed to meet these demands. It is the trustees' ambition to develop a sustainable model and work is ongoing to find the most effective ways of proceeding.

The charity has a Reserves Policy. It continues to be aspirational as our current income is insufficient to generate reserves. Financial matters occupy trustees and the team to a significant degree. Many other small charities share our concerns that regulators ignore the realities of the day-to-day existence within our sector. A well-known grant maker will not approve funding if the applicant has cash covering more than three months' expenses in reserve; others request detailed information as to why funds are held in reserve and why they cannot be used for projects for which funding is requested.

We are grateful for the support and generosity of BDC and Heritage Lottery Fund and of local people throughout the year despite our year long closure. We are delighted that clear evidence of their enjoyment of the building continues despite COVID and that we will be able to provide a range of activities that are popular and enjoyable once lockdown is lifted.

Throughout the year we have continued to encourage Guildhall users to make payments using our on-line facility of paying by Stripe. This has had the beneficial effects of increasing efficiency and reducing significantly the number who book and then change their minds.

FINCHINGFIELD GUILDHALL

STRUCTURE, GOVERNANCE AND MANAGEMENT

● **Constitution**

The charity has its origins in 1567: many changes have occurred throughout the centuries, culminating in our most recent revisions; in May 2014, the charity was given approval by the Charity Commission to become a Charitable Incorporated Organisation. The Charity Commission's model documentation was used for our governing documents.

● **Method of Appointment or Election of Trustees**

The Trustees who served during the year were:

Mr John Holford
Mr Desmond Lawton
Mrs Janet Ridgewell
Mrs Deborah Sheridan
Mr Paul Sheridan
Mr Mark Everard

The CIO had one self-employed, Events Manager, Mrs Carol Bell during the year ended March 2021. The Trustee board comprises currently 4 members approved by the members of the CIO and 2 others nominated by a) Finchingfield Parish Council and b) The Church of St John the Baptist Parochial Church Council. Mr Desmond Lawton and Mr Mark Everard were the respective appointees during the financial year covered.

● **Organisational structure and decision making**

The Trustees have mostly consulted remotely to make decisions. They delegate the day-to-day running of the Guildhall to volunteers.

● **Risk management**

The trustees have examined the risks facing the charity in the immediate future and the longer term. Whilst considering operational and external risks, in our opinion the most significant threats are all financial. Because of this, detail will be supplied for all aspects of this risk.

- The charity needs to expand operations for sustainability;
- Grant makers and funders are "tightening" their schemes;
- Increased reluctance by grant-makers to fund core costs; and
- The implications of long term effects of Covid 19.

The charity needs to expand operations for sustainability. While we have been able to meet our basic running costs, we need to be able to fund equipment repair and replacement, make contributions to our sinking fund and have sufficient resources for additional charitable activities; future operations will be severely compromised if the charity is unable to produce a greater income. In common with many other organisations, we found that managing cash flow is a time-consuming and demanding task.

Operating costs for heritage buildings with public access are not cheap. Although expenditure has been reduced wherever possible, the charity must have substantial insurance, pay for professional advice when needed; cover its governance costs and routine maintenance.

We note that the administration of Fairhurst, Ward Abbots (reported in previous years) was scheduled to end in June 2019 but remains unresolved. A claim for £248,720.89 was submitted and we wish to record that the administrators recognise the charity as a creditor.

Long term grant funding remains an issue. Grant makers have highly specific objectives, often not met when running a community heritage building. Many will consider funding one-off projects only and few will fund core costs.

Trustees' responsibilities statement

The Trustees are responsible for preparing the Trustees' Report and the Financial Statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the CIO and of the incoming resources and application of resources of the CIO for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the CIO will continue in operation.

The Trustees are responsible for keeping proper accounting records that are sufficient to show and explain the CIO's transactions and disclose with reasonable accuracy at any time the financial position of the CIO and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the CIO and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the Trustees on 12TH October 2021 and signed on their behalf by:

FINCHINGFIELD GUILDHALL

FINCHINGFIELD GUILDHALL INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2020

Independent examiner's report to the Trustees of Finchingfield Guildhall

I report on the financial statements of the CIO for the year ended 31 March 2021 which are set out on the subsequent pages.

This report is made solely to the CIO's Trustees, as a body, in accordance with section 145 of the Charities Act 2011 and regulations made under section 154 of that Act. My work has been undertaken so that I might state to the CIO's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the CIO and the CIO's Trustees as a body, for my work or for this report.

The financial statements have been prepared in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

This has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

Respective responsibilities of Trustees and examiner

The CIO's Trustees are responsible for the preparation of the financial statements, and they consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the Act) and that an independent examination is needed.

It is my responsibility to:

- examine the financial statements under section 145 of the Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5) (b) of the Act; and
- state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission.

An examination includes a review of the accounting records kept by the CIO and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the statement below.

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the Act; and
- to prepare financial statements which accord with the accounting records, Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) and in other respects comply with the accounting requirements of the Act.

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

1. ACCOUNTING POLICIES

1.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014, as amended by Update Bulletin 1 (effective 1 January 2016) and Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and Charities Act 2011.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice from 1 April 2005 which has since been withdrawn.

The CIO constitutes a public benefit entity as defined by FRS 102.

There were no significant estimates or judgements made by management in preparing these financial statements.

1.2 GOING CONCERN

The Trustees have reviewed the financial position of the CIO and have a reasonable expectation that the CIO has adequate resources to continue in operational existence for the foreseeable future. Accordingly, the financial statements continue to be prepared on the going concern basis.

1.3 FUND ACCOUNTING

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the CIO and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the CIO for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

FINCHINGFIELD GUILDHALL

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

1. ACCOUNTING POLICIES (continued)

1.4 INCOME

All income is recognised once the CIO has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donated goods, services or facilities are recognised when the CIO has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use of the CIO of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), general volunteer time is not recognised.

Grants and donations are recognised when the CIO has been notified in writing of both the amount and settlement date. In the event that a grant or donation is subject to conditions that require a level of performance before the CIO is entitled to the funds, the income is deferred and not recognised until those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the CIO; this is normally upon notification of the interest paid or payable by the Bank. Field rent and library rent is recognised in the period in which it is received.

The majority of income from charitable activities arises on a cash basis and is therefore recognised when received. Where income for workshops, guided tours or seasonal events is received in advance, that income is carried forward on the balance sheet to be matched with expenditure when the event takes place.

1.5 EXPENDITURE

Expenditure is recognised once there is a legal or constructive obligation to make payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated to the applicable expenditure headings.

Governance costs are those incurred in connection with administration of the CIO and compliance with constitutional and statutory requirements.

FINCHINGFIELD GUILDHALL

1. ACCOUNTING POLICIES (continued)

1.6 TANGIBLE FIXED ASSETS AND DEPRECIATION

Tangible fixed assets are stated at cost less depreciation. Depreciation is not charged on freehold land. Depreciation on other tangible fixed assets is provided at rates calculated to write off the cost of those assets, less their estimated residual value, over their expected useful lives on the following basis:

Freehold property - over 25 years (4.5%)

Museum costs - over 10 years (13.5%)

Computer equipment - over 3 years

1.7 INVESTMENT PROPERTY

Investment property is a form of basic financial instrument and is included on the Balance Sheet at a fair value determined by an independent external valuer and is derived from the current tenancy rental agreement, location and grade of land. No depreciation is provided.

1.8 STOCKS

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

1.9 DEBTORS

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount repaid net of any trade discounts due.

1.10 CASH AT BANK AND IN HAND

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.11 CREDITORS AND PROVISIONS

Creditors and provisions are recognised where the CIO has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

1.12 FINANCIAL INSTRUMENTS

The CIO only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

During the year, no Trustees received any reimbursement of expenses or had any expenses paid directly to a third party on their behalf (2019 - £NIL).

The Trust owns land and the Guildhall property, however the cost of these is unknown. During the Guildhall renovation project, the costs of renovating the building have been capitalised. This work was completed during 2013/2014 and therefore in accordance with the accounting policy, the asset is now being depreciated over 25 years. The original cost of the property and the land are not known and are not reflected in the financial statements.

The Heritage Lottery Fund provided a large majority of the funds for the renovation of the Guildhall and one of their grant conditions was that they be granted first charge over the property for a period of 25 years from 22 June 2010.

VALUATION	
At 1 April 2020 and 31 March 2021	250,000

For 2021, no valuation is deemed necessary by the Trustees.

Previously, a valuation was carried out by qualified individual within an independent firm, Bidwells LLP, after inspecting the property on 12 January 2016. Bidwells LLP have significant expertise in preparing land valuation calculations and dealing with land tenancy agreements in the local area. Bidwells advised that the value of the freehold subject to secure Agricultural Holdings Act tenancy was £250,000.

The land comprises 18.93 hectares (46.77 acres) of land situated in open countryside between the villages of Great Sampford and Finchingfield in the County of Essex. The land is divided into three parcels and is classified as Grade 3 and soils comprise boulder clays. All the land is cropped to winter cereals and would be suitable for the growing of cereals, oil seeds or pulses.

Finchingfield Guildhall CIO owns the freehold, which was transferred on 30 September 2015 from Finchingfield Guildhall Trust when the two entities merged. The land is let under a tenancy that continues from year to year subject to the Agricultural Holdings Act 1986.

As noted in the previous Trustees' Report, the contractor has been placed into administration and there is a low expectation by the administrator of being able to claim outstanding sums, however the costs remains provided for in full within these financial statements until more information is known. The Trustees have also recorded a significant claim against the company with the administrator. Other creditor is the 100 club outstanding prize fund held in escrow.
